

ELIGIBILITY:

The Retro Rallycross Championship is for cars that have, or a type that have, been used in British or European Rallycross up to the end of 31/12/1991. The onus to demonstrate the eligibility of a car and any modifications rests with the competitor.

The engine is free but must fit into the same period as the race car. The block must come from a mass-produced model containing the same number of cylinders and fit in the same position as original for the race car and to have been available up to the 31 December 1991.

Competitors are required to familiarise themselves with the Retro Rallycross Championship regulations prior to submitting membership applications.

CATEGORIES:

Retro Rallycross:

All two-wheel drive rallycross vehicles eligible to compete within the specified period with the maximum engine capacity of 1600cc. (with a permitted overbore of +60)

Super Retro:

All two-wheel drive rallycross vehicles eligible to compete within the specified period over 1601cc.

The Retro Rallycross registration fee is £125 or £45 per round on a round-by-round basis (applicants **MUST** complete the registration form available from: info@RetroRallycross.com).

One-off entries submitted to LHMC from competitors who do not have written Retro Rallycross permission will be refused.

Completed forms to be sent to info@retorrallycross.com

Payment to accompany applications by the following methods: -

Bank Transfer:

Account Name: Retro Rallycross Bank: NatWest - Sort Code: 60-06-23 - Account No: 31742033

Cheques:

Made payable to Retro Rallycross and posted to 2 Leighton Grange Cottage, Middlewich Road, Leighton, Cheshire, CW1 4QQ.
